

The Community Dental Clinic is seeking an experienced Dental Hygienist to join our team! This position includes full time pay and benefits with a four day work week (Monday - Thursday)! We would also consider a part time position for the right candidate. We are dedicated to providing our patients with the highest level of care and the Dental Hygienist plays a key role. The ideal candidate is dependable, energetic, self-motivated, compassionate, and an organized team player. Knowledge of Dentrix is a plus, but not required. We look forward to meeting you, welcoming you into our family, and helping you to thrive in our patient-focused practice.

Knowledge, Skills and Abilities

The requirements listed below are representative of the knowledge, skills, and/or abilities required to perform each essential duty satisfactorily.

- General knowledge of the principles and skills needed to provide patient care and treatment
- Knowledge of patient education principles
- Ability to anticipate and react calmly to emergency situations
- Ability to handle multiple tasks simultaneously
- Ability to perform proper infection control
- Strong organization skills
- Ability to work as contributing member of the clinical team
- Skillful at providing dental hygiene preventive care

Experience:

- Dental Hygiene: 2 years (Preferred)
- Dentrix: 1 year (Preferred)

License/Certification:

- Current state license in Dental Hygiene
- Certification from an accredited dental hygiene school
- CPR

Benefits:

- Highly competitive salary
- Long- and short-term disability
- 401k package
- Generous vacation time and paid holidays
- Health, dental and vision coverage (Full-time only)
- Flex spending account

Job type: Part-time, Full-time

Contact: Interested candidates should send his/her CV to Natalie Covell at ncovell@thecommunitydentalclinic.org or apply through Indeed. The Community Dental Clinic is an equal opportunity employer.
